Editor's Message

Dear Reader:

This year we have deviated from the normal Green Knight format to give you the reader, a better theme idea.

Since Clintwood is the home of the Green Wave, we have decided on a nautical theme. We have our theme displayed on the cover, the table of contents, and the division pages. We hope you find the changes create a more exciting yearbook.

We would like to extend many thanks to Pamela Stanley for the time and effort she put into the artwork. We would also like to thank Jennifer Stanley, our typist and right hand person.

The Green Knight staff hopes that you enjoy this book and what it represents.

Thank you,
Martha Madeline Short
Editor
